AWARDS CEREMONY

PODIUM

To hold an Awards Ceremony that properly honors the top three finishers in each category, punctuality and full compliance with the rules by all drivers are essential.

The following requirements must be met:

- Strictly follow the instructions of the support staff.
- Wear your Nomex suit properly fastened at all times.
- Only the award-winning drivers may access the podium during the ceremony.

Venue: Podium located on the pedestrian bridge.

SCHEDULE

ENDURANCE CHALLENGE

15:20 - 15:50 Endurance 24

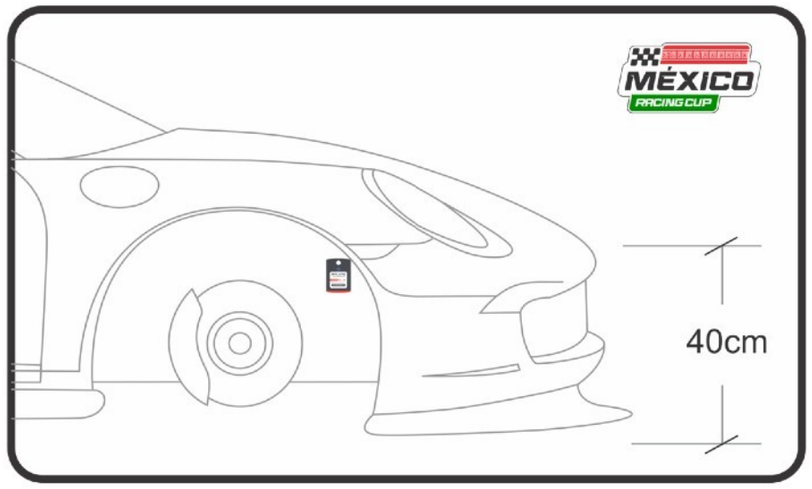

TRANSPONDERS

TIMING

Each team is responsible for correctly fitting the timing chip and for providing its complete information: name, number, car make and team name. Chips can be rented directly from the official timing provider.

The transponder must be mounted vertically, no more than 40 cm above the ground, making sure it has a clear view of the ground with no metal or carbon fiber underneath that could block the signal, and in a location protected from any impact. To work correctly, the transponder must be a MYLAPS (AMB) unit, Car/Bike version, red.

SCHEDULE

SATURDAY, DECEMBER 19

08:00 onwards

SUNDAY, DECEMBER 20

08:00 onwards

Venue: Control Tower

I DRIVE, THEREFORE I AM!

DRIVERS' BRIEFING

At each briefing, minutes will be handed out covering the most important race points for the event in question.

Drivers are responsible for finding out the briefing time for their category and attending it. The Drivers' Briefing time is shown in the Official Event Timetable.

A roll call will be taken before each briefing begins. Drivers who do not attend will lose their qualifying time and, in order to start, must report to the Event Secretary on the 1st floor of the Control Tower to receive the briefing minutes.

Drivers who do not attend **or arrive late to the briefing** will lose their qualifying time **and will start from the back of the grid**; and, in order to start, they must report to the event secretary at the Pit Tent to receive the briefing minutes.

The driver's valid 2026 FEMADAC License (driver badge) will be checked by the CNP Steward during the Drivers' Briefing, and each driver will be fitted with a wristband at Registration to show that they hold one. This wristband will be required at the pit exit before the car is allowed onto the track.
